There was an attempted break in of an outbuilding at farm premises in the Cowley area of Gnosall last night Wednesday 26 October.

It happened at approx. 9pm last night when offenders cut a padlock off the building but fortunately nothing was stolen.

Tyre marks in the field suggest the offenders made off in a vehicle and anyone with any information is asked to contact Staffordshire Police on 101 quoting incident number 840 of 26 October.

Could you also please take time to review your own security arrangements and make sure your properties, including outbuildings, are as secure as possible at all times.
